

Wedding Dance Questionnaire

We play many wedding dances a year. In our experience, we suggest that you get the dance started as soon as people are done eating, otherwise you'll lose your crowd. On average it only takes about an hour to feed everyone. Please fill in the blanks or give me a call with your details.

What time is the ceremony ____ or E.T.A. at the hall? _____ What time will supper start? _____

How many guests are expected? _____ Is there any reason why the dance can't start immediately after supper? Y/N- do you have a specific time to start the dance? _____. Will smoking be allowed?

Y/N We may include background music (see your contract), add. background music is \$25/ hour.

Do you want the wedding party announced? Y/N If so, we would need a list of the names (spelled phonetically) and in the proper order. We also need someone to give us the cue when it's time.

What is the spotlight song? _____. Do you want a father/ daughter dance? Y/ N (song)_____ If any of the parents are divorced or deceased, we suggest an "immediate family" dance instead. We don't want to embarrass or leave anyone out.

It helps if we know all the parent's names. What is the bride's father's first name? _____

The bride's mother's name? _____ Stepfather? _____ Stepmother? _____

And the groom's father? _____ the groom's mother? _____
Stepfather? _____ Stepmother? _____

Would you like a parent's dance? Y/N or immediate family dance? Y/N (song)_____

What song would you like for the wedding party dance? (song) _____

Would you like; a **bouquet toss?** Y/N- a **garter toss** Y/N or **auction?** Y/N- **dollar dances?** Y/N

As for the music list, please only mark the songs you absolutely must hear, or maybe use a different colored pen for songs you like but don't care if they are played or not. It helps us if you can try to keep your "must play" song list under 30 songs maximum because otherwise it's hard for us to play requests from your guests and keep the dance dynamic. Don't feel that you're obligated to pick 30 songs- we've had customers only pick a few songs and the dance turned out great.

Are there any songs you absolutely **don't** want played? _____

Is there anything else we should know? _____

Please call if you want to discuss any of the above questions or any other ideas you may have.
